Description

Gulf Stream RV Yellowstone Class C gas motorhome 6237 highlights:

- Bunk Over Cab
- Rear Corner Bathroom
- RV Queen Bed
- Outside Shower
- Basement Storage

Enjoy a home on wheels with this motorhome! It features a **54" x 75" overhead bunk** with an insert and an optional TV with swing arm for extra entertainment. The **booth dinette** offers a comfortable place to enjoy your meals and play card games, as well as transform into an extra sleeping space. The other sleeping space is the corner **60" x 74" queen bed** with basement storage underneath and overhead cabinets for your items. A rear corner bathroom lets you get squeaky clean each morning and you can prepare your best meals with the **three burner cooktop** and the 6 cu. ft. two way double door refrigerator/freezer!

Luxury, style, and an affordable price is what you will find in each one of these Gulf Stream RV Yellowstone Class C gas motorhomes! They are built with a **"Cradle of StrengthRegistered"** for your families safety, and a high gloss white fiberglass exterior with **Azdel synthetic** wall panels to prevent rotting. Each models space is maximized and their interiors are beautifully designed with Griffith maple cabinetry, upgraded interior fabrics, stainless steel appliances, and designer **high-performance vinyl flooring** throughout. A 13,500 BTU roof air conditioner will keep you cool on the hot summers days and a 25,000 or 35,000 BTU furnace, depending on which model you choose, will keep you warm during the cool months. An **IRD dual battery charging system** powers these units and a Ford E350 or E450 chassis holds them together. Come find the right one today!
